EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claim 1, line 12; Change "pad" to "pod".

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach and/or suggest a foldable anode pod having a top and bottom frame to which is connected a plurality of sides and upper and lower surfaces, with folding legs being attached to the top frame and bottom frame in such a manner that the legs are folded in a first position and are extended to be linearly aligned with each other when the top and bottom frames are disposed away from each other and having a means for locking the top frame to the bottom frame when the legs are in the folded position and a means for connecting the legs to the top and bottom frames when the legs are pivotally connected to the top and bottom frames and having a means for connected the legs to each other so that the leg segments can be locked together to secure the legs in the second extended position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 1746

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
